

# Golden Stripe

Unleash your wild side with Golden Stripe.

Set in the Far East, Golden Stripe takes slot action back to its purest form, with a 1x3 stepper style adding a sense of uncomplicated elegance.

Featuring fierce tigers, a menagerie of other symbols and a pulse-raising soundtrack, you'll feel as though you have immersed yourself into the wild.

Hit the special symbols and players will find themselves climbing up seven pay tables whose rewards are visible around the temple in which the game is set.

Each symbol has two versions, regular and special. Each time a special symbol appears on payline it upgrades the payable to the next level. A regular symbol does not change the payable level and a blank symbol resets the payable back to level 0.
