

Search earth's deepest depths
in OneTouch's latest release, Sea Treasure.

The thrilling new release offers a deep dive, where
players can win more the closer they get
to the ocean floor.

A submarine sinks lower to increase the multiplier by x1
- with a maximum multiplier of x5 available
during the main game.

Should players launch the exciting Sea Treasure Challenge, the maximum multiplier increases to a mesmerizing x999!

Although players should tread carefully, as the mode features an 'Evil Eye' descent symbol which can end the mode as soon as it emerges.

Elevating the experience, the title also comes with a Crash Dive Feature which appears randomly during the Sea Treasure Challenge - offering an x10 bonus to the multiplier!
