

海宝 Sea Treasure

"Sea Treasure" is a slot game where you can explore the deep sea on a submersible. This is your chance to get a huge treasure in the mysterious sea where the multiplier increases as you dive deeper!

The sudden "Crash Dive" feature takes the multiplier to an astonishing level. And if you have 3 submersible scatters, you are ready to set sail, and the special free game bonus "Kaiho Challenge" begins.

GAME TYPE VIDEO SLOT

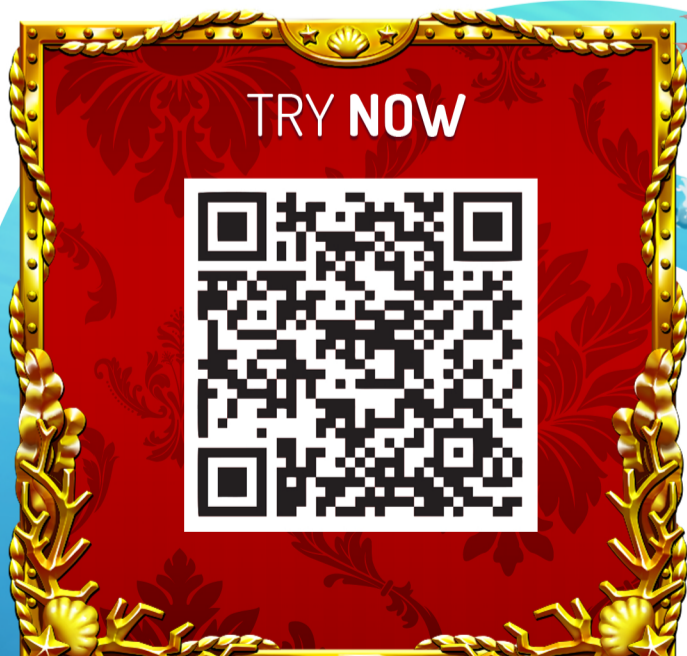

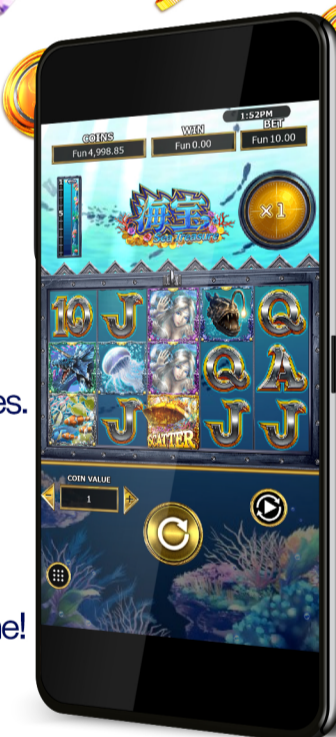

| SESSION VOLATILITY | GRID | WAYS | MAXIMUM EXPOSURE | RTP | FULL SIZE |
|--------------------|------|------|------------------|--------|-----------|
| Medium high | 5x3 | 30 | ×18000 | 96.14% | 15.5MB |

During the free game, the rate of occurrence of "Crash Dive" features will increase dramatically!

In addition, the multiplier will continue to rise with each spin, up to 999 times.

If the PLUS ONE symbol appears during a free game, the number of spins will be increased and the game chances will expand infinitely.

It's time to set sail, and you too should dive into the ocean of this endless game!
